

CMCB 2022

**January
26** (10:00-17:30)
27 (9:00-12:00)

Free to Participant

**Second International Symposium
on Chemistry for Multimolecular
Crowding Biosystems**

Invited Speakers

Yoshinobu Baba (Nagoya University), Kazuhito Tabata (University of Tokyo), Atsushi Natsume (Nagoya University), Yuji Goto (Osaka University), Shigenori Tanaka (Kobe University), Naoki Sugimoto (Konan University), Saif A. Khan (NUS), Andrew David Miller (Mendel University in Brno), Roland Winter (TU Dortmund University), Zoe Waller (UCL School of Pharmacy), Christina Woo (Harvard University), Akio Ojida (Kyushu University), Shinya Hagihara (RIKEN), Young-Tae Chang (IBS/Postech), Itaru Hamachi (Kyoto University/ERATO)

Conference Location:

Tokyo Big Sight / Online
3-11-1, Ariake, Koto-ku, Tokyo, 135-0063, Japan

Conference Chairs:

Itaru HAMACHI
Kyoto University

Naoki SUGIMOTO
Konan University

Yoshinobu BABA
Nagoya University

Supported by

MEXT Grant-in-Aid for Scientific Research on Innovative Areas "Chemistry for Multimolecular Crowding Biosystems"

Co-organized by Nagoya University

Co-sponsored by Japan Society of Nucleic Acids Chemistry

Co-sponsored by Division of Biofunctional Chemistry, The Chemical Society of Japan

平成29～33年度 文部科学省科学研究費助成事業

新学術領域研究「分子夾雑化学」
分子夾雑の生命化学

Chemistry for Multimolecular Crowding Biosystems

【参加申込方法】

発表者は申し込み不要です。会場に名刺を一枚ご持参ください。
一般の参加希望者は当日受付を行いますので、直接会場へお越し
ください。

受付場所：東京ビッグサイト会議棟 6階 606 会議室前
