

ISBC2017

The Second International Symposium
on Biofunctional Chemistry

Kihada Hall, Uji Campus, Kyoto University

2017 Dec. 14th (Thu.) – 16th (Sat.)

Scientific program

- I. New Structure and Function of Biomolecular Systems
- II. Artificial Molecular Systems beyond Biological Functions
- III. New Aspects of Biomolecules
- IV. Physical and Quantitative Understanding of Cells at Molecular Level
- V. Organic Chemistry in Cells
- VI. Chemistry for Cell Analysis and Regulation

Invited speakers

Akif Tezcan (UCSD)	Todd O. Yeates (UCLA)	Benjamin Davis (Oxford Univ.)
Sijbren Otto (Univ. of Groningen)	Roland K. O. Sigel (Univ. of Zurich)	Yimon Aye (Cornell Univ.)
Kazunari Akiyoshi (Kyoto Univ.)	Xing Chen (Peking Univ.)	Peng Chen (Peking Univ.)
Takashi Hayashi (Osaka Univ.)	Jian-Ren Shen (Okayama Univ.)	Motomu Kanai (Univ. of Tokyo)
Tasuku Hirayama (Gifu Pharm. Univ.)	Eiji Nakata (Kyoto Univ.)	Shinya Hagihara (Nagoya Univ.)
Rein V. Uljijn (CUNY ASRC)	Evan Miller (UC Berkeley)	Jason Chin (MRC)
Jonathan Clayden (Univ. of Bristol)	Gary Pielak (U North Carolina, Chapel Hill)	Michael Z. Lin (Stanford Univ.)
Vivian W.W. Yam (Univ. Hong Kong)	Jie Yan (Natl. Univ. of Singapore)	Hyun-Woo Rhee (UNIST)
Hiroyuki Asanuma (Nagoya Univ.)	Hidehito Tochio (Kyoto Univ.)	Moritoshi Sato (Univ. of Tokyo)
Yoshiyuki Kageyama (Hokkaido Univ.)	Tamaki Endoh (Konan Univ.)	Yuichiro Hori (Osaka Univ.)

Important dates

Deadline for registration of poster presentation	October 31, 2017
Deadline for abstract submission	November 10, 2017
Deadline for advance registration	November 10, 2017

Registration fee

	Advance (until Nov 10)	Onsite registration (after Nov 11)
General members	¥20000	¥22000
Student members	¥10000	¥12000

Organizing committee

Chair:

Hisakazu Mihara (Tokyo Institute of Technology)

Secretary:

Itaru Hamachi (Kyoto University)

Members:

Hiroyuki Asanuma (Nagoya University)

Shinobu Itoh (Osaka University)

Takehiko Wada (Tohoku University)

Shin Aoki (Tokyo University of Science)

Misaki Homma (Takeda Pharmaceutical Company Limited.)

Kuniharu Ijiro (Hokkaido University)

Toshihiro Ihara (Kumamoto University)

Takafumi Ueno (Tokyo Institute of Technology)

Yasuteru Urano (The University of Tokyo)

Akio Ojida (Kyushu University)

Takashi Ohtsuki (Okayama University)

Takeaki Ozawa (The University of Tokyo)

Shinsuke Sando (The University of Tokyo)

Keiko Shimamoto (Suntory Foundation for Life Science)

Masahiro Takagi (Japan Advanced Institute Science and Technology)

Shinya Tsukiji (Nagoya Institute of Technology)

Shun Hirota (Nara Institute of Science and Technology)

Hiroshi Fujii (Nara Women's University)

Koichi Fukase (Osaka University)

Hiroshi Murakami (Nagoya University)

Shin Mizukami (Tohoku University)

Yusuke Takezawa (The University of Tokyo)

Tatsuya Nabeshima (University of Tsukuba)

Scientific program committee

Kazushi Kinbara (Tokyo Institute of Technology)

Akihiro Kishimura (Kyushu University)

Kenichi Niikura (Nippon Institute of Technology)

Junko Ohkanda (Shinshu University)

Mitsuo Umetsu (Tohoku University)

Kazunori Matsuura (Tottori University)

Takafumi Ueno (Tokyo Institute of Technology)

Shun Hirota (Nara Institute of Science and Technology)

Yutaka Hitomi (Doshisha University)

Toshitaka Matsui (Tohoku University)

Masayasu Taki (Nagoya University)

Shinsuke Sando (The University of Tokyo)

Toshihiro Ihara (Kumamoto University)

Takashi Ohtsuki (Okayama University)

Daisuke Miyoshi (Konan University)

Masayasu Kuwahara (Gunma University)

Shinya Tsukiji (Nagoya Institute of Technology)

Hirohide Saito (Kyoto University)

Hiroshi Murakami (Nagoya University)

Yukari Fujimoto (Keio University)

Ikuhiko Nakase (Osaka Prefecture University)

Naoki Kanoh (Tohoku University)

Yasuteru Urano (The University of Tokyo)

Takeaki Ozawa (The University of Tokyo)

Akio Ojida (Kyushu University)

Shigeki Kiyonaka (Kyoto University)

Shin Mizukami (Tohoku University)

Rie Wakabayashi (Kyushu University)

Hiromu Kashida (Nagoya University)

Kenjiro Hanaoka (The University of Tokyo)

Yuki Goto (The University of Tokyo)

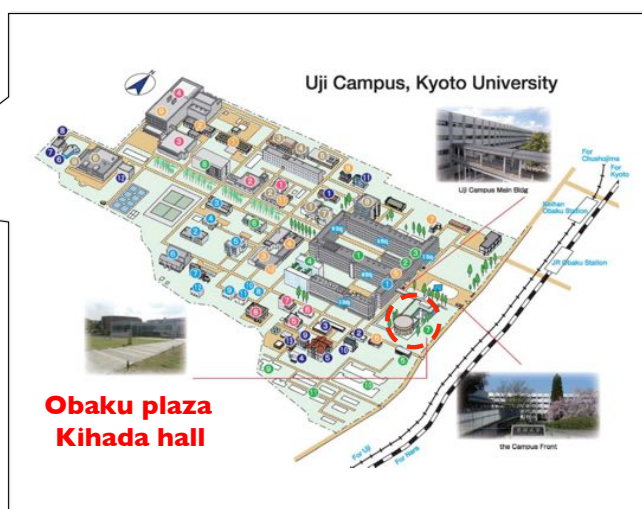

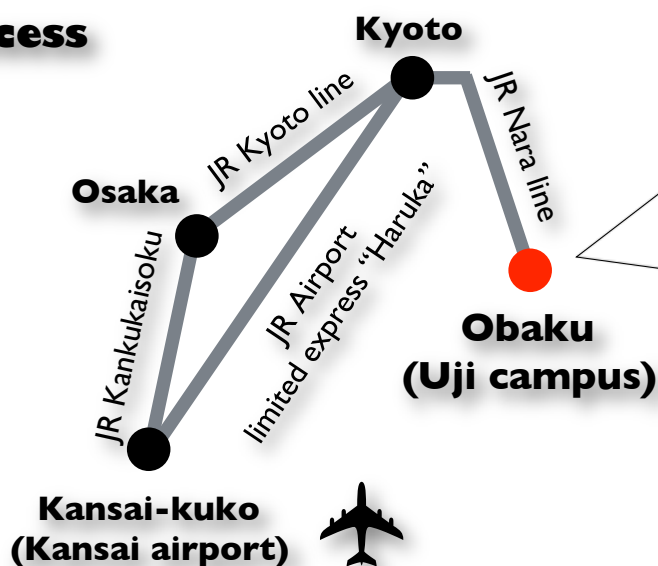

Osami Shoji (Nagoya University)

Masatoshi Onoda (Osaka University)

Nobutaka Fujieda (Osaka University)

Satoru Nagatoishi (The University of Tokyo)
